The image shows a 4x3 grid of empty grid blocks. Each block is 10 columns wide and 10 rows high. The left side of each block has a vertical bar of a different color: red, yellow, green, and blue. The right side of each block has a light blue vertical bar. There are punch holes on the right side of each row. A watermark 'horirium' is visible diagonally across the page.

The image displays a 4x3 grid of 12 empty grid blocks, designed for a Bible size organizer. Each block is a 10x10 grid with a light blue shaded left margin and a vertical bar on the right side. The vertical bars are colored red, yellow, green, and blue, repeating in that order from top to bottom in each column. On the left side of each grid, there are two small circles and a small triangle pointing to the right. The word "horirium" is printed at the bottom center of each grid block.
